CIEET 2019 Highlights

CIEET 2019 had **27,000** visitors with over **200** media outlets reporting nationwide.

A survey of the level of study abroad in which the visitors were interested has shown that language courses account for **5%**, the high school level accounts for **35%**, the undergraduate level accounts for **40%**, the masters and PhD levels account for **18%**, and all others account for **2%**. From this it can be seen that most Chinese students are inclined to choose to study abroad at the undergraduate and graduate levels.
